Former Vice Principal, Rampura Ekramunnesa Degree College

Former Lecturer, Dhaka City College, Dhaka

Former Lecturer, Teachers' Training College, Libya

Alhamdulillah, roaming around the world for more than 35 years in the line of education, the Almighty Allah has associated me with this such an exceptional institution "Iqra Bangladesh School Banasree" where parents get the opportunity to build up the career of his/her child to the world class standard in modern education in an Islamic environment.

It's an Islamic school and a student here becomes a true muslim first and then an educated person. Teachers are also of this mentality and they always put much emphasis on Quran & Sunnah. Parda is maintained strictly in this institution.

Our Teachers of all sections are very well qualified and highly experienced. In our Quran section, the internationally reputed Hafizes & Kari's are with us and every year a good number of students come out as Hafizes and Hafizas along with the world class standard modern education.

IBSB Bangla version is also enriched with well-educated and experienced teachers. In Bangla version, the Quranic education is also compulsory.

IBSB regularly arranges various cultural programs including national and Islamic festivals. Regular class party, debate programs, kerat competitions, Picnic, Jalsha and annual sports are also organized with a regular interval. The students for their competitive attitude and for their excellent performances are rewarded.

Highly educated and socially very famous scholars are associated with our institution and they are always trying to improve its quality and progress. May Allah help us to make IBSB a successful institution.

Jazak Allahu Khairan

**Md. A. Salam Khan**

**Former Assistant Head Master**

**Ideal School and College,**

**Motijheel, Dhaka-1000**

**Best Teacher awarded 2012 in Dhaka Board**

I have been working in the line of education for long 34 years in Bangladesh. I worked in Ideal School and College for 29 years. After my retirement from the previous school, I joined Iqra Bangladesh School Banasree two years ago. I found an Islamic Environment here. The students are studying here both Academic and Quranic subjects. The Principal is a dynamic man with higher educational qualifications. The board of directors are co-operative and serious about the education of the students. They are also very careful about the teachers and students. All programs of this institution are in favour of making students true Muslims. For all these reasons, Iqra Bangladesh School Banasree is an extra-ordinary, exceptional and ultra-modern Islamic School of Bangladesh. May Allah help us to develop it a class one institution.

Jazak Allahu Khairan.
